Sir:

In response to a telephonic interview with Examiner Hanh B. Thai on March 27,  
2008, please enter the following amendments and remarks:

**Remarks/Arguments** begin on page 2 of this paper.

## **REMARKS/ARGUMENTS**

### **Interview**

Applicants thank Examiner Hanh B. Thai for the courtesy of a telephonic interview with the undersigned on March 27, 2008. The Examiner indicated that the previous statutory type double patenting rejection was made in error and should have been a non-statutory type double patenting rejection. To obviate the need for making another rejection, the Examiner requested a terminal disclaimer of U.S. Patent No. 6,678,675. The Applicants submit herewith an appropriate Terminal Disclaimer.

### **CONCLUSION**

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 303-571-4000.

Respectfully submitted,

/William J. Daley/
